Please note that lots are offered and sold "as is" in accordance with the sales terms printed in the catalogue. The purpose of condition reports regarding jewels and watches is providing further information to potential buyers but they are in fact only a statement of opinion and are not to be relied upon as statements of warranty. Potential buyers should inspect each lot in person in order to assess its characteristics. Lots are sold in their current conditions and if a damage or restoration is not mentioned it does not necessarily mean they are not present. The lots can be examined during the pre-auction exhibition.
